Hope you are all well and
have wonderful holidays together.
I would love to see you in the
new year.

Thank you for our beautiful
kitchen - we love it and
get many compliments on it.
We are still working on house -
but almost done.

Take care and visit if you're out
this way. Say hi to Maude
for us.

Dear Dave, Sammy, and Family,

A little more hope,
a little more sparkle,
a little more love...

this Christmas
and always.

Yours,
