Hi Tammy and Dave,

Audrey and I love the cabinets!! I wanted to tell you how much we appreciate the great work you and all at Woodenbridge did. Actually, we can't believe we have the kitchen we do and are thankful. Please feel free to use us as a reference if anyone requests to talk to a past customer. I'll sing your praises.

Hope all is well and 2009 is a great year for Woodenbridge.

Thanks,
